Report of Principal and School Improvement Council

Waccamaw Middle School continued its pursuit in providing outstanding educational opportunities for students during the 2008-2009 school year. The use of common assessments, common planning, and the South Carolina Reading Initiative throughout the core academics was implemented. The implementation of a Single Gender Instructional Initiative in English Language Arts and Mathematics was also a highlight of the 2008-09 school year. Through these initiatives, as well as monthly non-fiction writing and daily sustained silent reading, students were engaged at high levels. Throughout their core academics, students were also provided with research-based instructional strategies to ensure their success.

Over 75 of our students participated in various athletic teams during the school year, and our band and chorus won superior ranking at both regional and state competitions. Furthermore, our art students took the top two places at our district art show, and enrollment in these programs is as high as ever. Our students also won second place at the district academic bowl, and two students were named Most Valuable Players.

Waccamaw Middle School students also began a Robotics Club that participated in the district academic fair. Students and teachers participated in Beach Sweep 2008, and cleaned various beach areas along the Waccamaw Neck. Furthermore, Waccamaw Middle School also sponsored a Relay for Life Team, sent Volunteers to Special Olympics, donated funds for the March of Dimes, and held several canned food drives throughout the year. Local businesses, parents, and community members continue to support WMS through involvement with our School Improvement Council, PTSA, and Business Partnership Program. As the 2009-2010 school year begins, we look forward to continued success and growth as we continue with implementing exciting initiatives to help better meet the needs of our ever-changing and diverse student population.
